BREault FAMILY FARM Hosts: Alain & Nancy Frey

"Breault Stock Farm" began in October 1993 when Alain H. Breault purchased a 110 acre farm just 1/4 mile down the road from his childhood farm home. Originally a 12 cow/calf beef operation, Alain slowly built his cow herd up to 50 cows by 2019. After a devastating barn fire in June 2019, Alain and Nancy pivoted their business model to start selling their beef directly to the local consumer in the summer of 2020, attending the local Riverside Farmers Market. By 2022 a 14' x 40' farm store, complete with walk-in freezer, was added to the farm property, and Alain/Nancy began working with a network of local farmers to meet their customers' needs. In 2023, the retail side of the business was rebranded as "Breault Family Farm". Alain manages the day-to-day farming operations, caring for the animals, planting/harvesting crops, and performing equipment maintenance, while Nancy manages the farm store operation, website, customers and employees. Alain and Nancy invite you to enjoy their peaceful farm operation with a beautiful lake view!
